

Colin Anderson
Lead Drilling Supervisor

Date of Birth: 27 March 1952
Nationality: British
Education: Technical College 1968

QUALIFICATIONS AND EXPERTISE:

- Excellent knowledge of rigs, components, equipment, and maintenance requirements
- Extremely conscientious of performance while maintaining safe work environment
- Experienced on jackups, land rigs, barge rigs and platform rigs, semi subs, drill ships, tender assisted rigs
- Eager to learn and implement new ideas, and willing to teach less experienced personnel
- Excels in planning ahead and being prepared for events before they happen
- Does not let obstacles slow or stop the operation, comes up with alternate solutions

5 years with DMI as a lead drilling supervisor on operations that requires extremely close supervision in difficult operating environments.

RECENT ACHIEVEMENTS AND CAREER HIGHLIGHTS:

A member of the DMI team for Oxy, Total, Apache, Roc Oil since 2005”

- Primarily drilled difficult highly deviated wells completed with multi zone frac packs
- Maintained high performance standards for China offshore operations per benchmarking analysis
- Development drilling has allowed total field production to be maintained at or above 20,000 BOPD. As wells become more difficult, the key is to maintain and improve performance
- Supervised and assisted set up Roc Oil Cabinda in Angola on a land drilling project

Majority of experience in land operations in Europe, Asia, Middle East, FSU, North and West Africa and in Cuba – especially understands culture of working in diverse areas

Has drilled wells for very high performance drilling operations in North Africa, Middle East, Pakistan, West Africa, China, Yemen, Oman, and various other areas

Developed an excellent knowledge and understanding of all rig related equipment

Particular skills of leading operations in harsh and remote areas of developing countries

EXPERIENCE SUMMARY: 39 years rig experience including various supervisory roles

<u>Position</u>	<u>Years</u>	<u>Company and/or Clients</u>
Drilling Supervisor	5	DMI – Apache/Roc Oil China
Drilling Supervisor	4	Independent Consultant – Pebercan Cuba, UzPEC Uzbekistan. Karasu Baku
Toolpusher / OIM	15	Toolpusher/Rig Manager, OIM various countries
Driller and Rig Hand	15	Various Drilling Contractors – North Sea, Middle East, Asia, Europe land ops, North/West Africa
