

**Brendon Jones**  
**Lead Drilling Supervisor**

**Date of Birth: 11 Oct 1974**  
**Nationality: Australian**  
**Education: BEng (Hon) / BSc**

**QUALIFICATIONS AND EXPERTISE:**

- Graduate Engineer with Shell Round 2 certification.
- Experience on jackups and land rigs operating in Asia, Australia and West Africa.
- Experience in vertical, horizontal and multi-lateral drilling and completions.
- Experience with a wide variety of drilling and completion technology such as rotary steerable systems, shared conductor wellheads, expandable tubulars and swelling elastomers.
- Expertise in remote / start-up operations and in working with national drilling contractors.
- Skilled in the use of Landmark Well Engineering software.
- Safety leader with knowledge of all aspects of HSEMS and skilled in implementing safe working systems including PTW and JHA's.

With DMI as a drilling supervisor since January 2008.

**RECENT ACHIEVEMENTS AND CAREER HIGHLIGHTS:**

- Key member of the DMI team that recently started up a new Chinese rig in the Bohai Bay.
- Senior Drilling Supervisor from start-up of a Chinese land rig for a major gas field development project, drilling multi-lateral wells from multi-well clusters.
- Operations engineer and member of contracts negotiation team for a single-string exploration project in the Bohai Bay that was completed within budget and without incident.
- Part of the team that executed the first offshore development in Nigeria for a major oil and gas company.

Versatile site supervisor and engineer who persistently works to achieve top performance and similarly demands high standards in both efficiency and safety from contractors under his supervision.
