

**Ivan E. Parkhurst**  
**Drilling Superintendent**  
**Lead Drilling Supervisor**

**Date of Birth: 01 Nov 1959**  
**Nationality: USA**  
**Education: Industry experience**

**QUALIFICATIONS AND EXPERTISE:**

- Consistently achieves best of class performance with well cost and time under budget
- Excellent knowledge of all drilling and completion systems, including all rig components
- Strong leadership by example – consistently improves the plan for best possible results
- Innovative in testing new concepts and making them work efficiently
- Maintains a safe and efficient operation – takes action rather than reaction
- Experienced on floaters, jackups, land rigs, and platform rigs

Over 10 years with DMI as part of various teams that achieved outstanding performance, many times in very unique situations. If the job is expected to be difficult, and somebody is needed to start up an operation to achieve immediate high standards, then Ivan is the person for the job!

**RECENT ACHIEVEMENTS AND CAREER HIGHLIGHTS:**

Key member of the DMI team that drilled and completed over 80 wells for Apache/Rocoil China:

- Used a Chinese land rig converted to a platform rig – modified the rig to be safe and efficient
- Wells included many highly deviated, extended reach, horizontal, and multi zone frac packs
- Achieved the best performance relative to cost per meter and meters per day for all operators in China and all of Apache per the various benchmarking analysis
- Implemented many new technologies and techniques with outstanding success
- During one 28 day hitch: drilled 42,000 ft of hole, ran 15 casing strings, and completed 2 wells

Lead supervisor for Anzon Australia project in 2009:

- Installed 2 each completions with 5 zones x 7 packers on subsea Intelligent Well Completion
- Drilled subsea development well in less than 50% of budget time and relative to all offset wells
- Utilized very innovative techniques to recover old (damaged) completion on subsea workover

**EXPERIENCE SUMMARY:** 35 years rig experience including various management roles

<u>Position</u>	<u>Years</u>	<u>Company and/or Clients</u>
Drilling Superintendent and Lead Drilling Supervisor	2	DMI – Apache Australia and Anzon Australia
Lead Drilling Supervisor	6	DMI – Apache China and Roc Oil China
Lead Drilling Supervisor	2.1/2	DMI – Maxus (Repsol-YPF) Indonesia DMI – Forest South Africa, Thailand, Switzerland
Consultant Drilling Supervisor	2.1/2	Independent Consultant – Maxus Bolivia
Operations Manager	4	Parker Drilling – Africa and South America
Rig Superintendent	6	Parker Drilling – Africa
Driller and Rig Hand	12	Parker Drilling – USA, Africa, S. America, Asia
