

James (Jim) Robertson
Lead Drilling Supervisor

Date of Birth: 31 July 1960
Nationality: British
Australian resident.

QUALIFICATIONS AND EXPERTISE:

- Excellent knowledge of drilling equipment.
- Strong directional drilling knowledge.
- Extremely conscientious of performance while maintaining safe work environment
- Experienced on jackups, land rigs, barge rigs and platform rigs.
- Eager to learn and implement new ideas, and willing to teach less experienced personnel
- Excels in planning ahead and being prepared for events before they happen
- Does not let obstacles slow or stop the operation, comes up with alternate solutions

2 years with DMI as a drilling supervisor on operations that requires extremely close supervision in difficult operating environments.

RECENT ACHIEVEMENTS AND CAREER HIGHLIGHTS:

Released by DMI to oversee a blow out on PTTEPAA’s Montara field.

A world first intercepting a horizontal casing and successful dynamic kill operation.

- Primarily drilled difficult highly deviated wells completed with multi zone frac packs
- Maintained high performance standards for China offshore operations per benchmarking analysis
- Development drilling has allowed total field production to be maintained at or above 20,000 BOPD. As wells become more difficult, the key is to maintain and improve performance
-

Majority of experience in the North Sea, Australia and Asia. Have also worked in the Middle East, South Atlantic and Ukraine and understands culture of working in these areas

As a Directional Driller worked on numerous rigs and learned how to make rigs work well, by seeing both good and bad practices and taking onboard learnings from around the world.

Developed an excellent knowledge and understanding of all rig related equipment and procedures

EXPERIENCE SUMMARY: 20 years rig experience including various supervisory roles

<u>Position</u>	<u>Years</u>	<u>Company and/or Clients</u>
Drilling Supervisor	2	DMI – Roc Oil China
Drilling Supervisor	1	BP Indonesia
Drilling Supervisor	2	Apache Energy Australia
Directional Driller	8	BHI, Aberdeen and Perth Australia
Drilling contractor	7	Santa Fe Drilling
