

Randall G. Scott
Drilling Project Manager

Date of Birth: 23 March 1956
Nationality: USA
Degree: BS – Petr Engr 1978

QUALIFICATIONS AND EXPERTISE:

- Team leader that consistently delivers excellent operational performance and quality wells
- Strong leadership skills focused on achieving best in class results
- Technical competence in many different areas of drilling, completion, and workovers
- Willingness to utilize latest technologies and ability to positively implement innovations
- Background in planning, engineering, operations, and rig supervision
- Experienced on floaters, jackups, land rigs, and platform rigs
- Experienced in deep water exploration programs – specialist in deep water well design

8 years with DMI as a project manager, engineer, and operations superintendent. Projects have consistently achieved excellent operational and well deliverability results.

RECENT ACHIEVEMENTS AND CAREER HIGHLIGHTS:

Most recently served as Drilling Operations Manager for Apache and Anzon in Australia. The DMI team helped both operators to achieve excellent cost savings versus budget.

Project Manager for the DMI team for Apache China that drilled and completed wells in Bohai Bay:

- Planned and organized development drilling program including well design, completion design, procurement, enhancement of the existing rig package, implementation of safety and environmental standards, preparation of drilling and completion programs.
- Consistently achieved best operational performance in China per benchmarking analysis.
- Implemented many new technologies and techniques with outstanding success.

Engineer and Drilling Superintendent for Unocal that set higher standards for drilling performance:

- Reduced Drill and Complete cost in Indonesia from \$400/ft in 1991 to under \$110/ft by 1996.
- Achieved 40% reduction in well costs in the GoM to develop previous uneconomic reserves.

EXPERIENCE SUMMARY: 31 years experience including management and engineering roles

<u>Position</u>	<u>Years</u>	<u>Company and/or Clients</u>
Drilling Operations Manager	2	DMI – Apache and Anzon (Australia)
Drilling Project Manager	5	DMI – Apache China and Roc Oil Bohai
Deepwater Drilling Engineer	1	DMI – Murphy Malaysia
Deepwater Drilling Manager	3	Maxus YPF – Malaysia, USA, Egypt
Well Design Consultant	1	West Australia Petroleum Gorgon FEED study
Drilling Superintendent	2	Unocal - Gulf of Mexico
Drilling Engineer	7	Unocal and Vico - Indonesia
Drilling Supervisor and Engineer	10	Tenneco
